ABOUT 🗾

FFC is...

"A partnership of consultants who bring together a wide and in depth range of experience and expertise in food and farming sector regulation"

- Thorough and practical understanding of the structure and mechanics of the agri-food industry.
- → Regulation of European and National animal health and welfare and food safety by National government and Local Authorities.
- → Enforcement of legislation by both statutory and non-statutory bodies.
- → Conduct of investigations resulting in prosecution or civil litigation.
- ⇒ Executive management of national delivery organisations.

FFC specialises in...

Compliance with legal and contractual obligations in the agri-food sector. Its services are available to:

- → National and Local government and its agents responsible for ensuring regulatory compliance.
- → National and local agri-food businesses who wish to ensure that they and suppliers are legally and contractually compliant.
- → Smaller and medium-sized agri-food businesses who wish to ensure they are operating within the law.
- → Professional bodies and trade organisations, within the sector, who need to ensure that their members are meeting professional or agreed standards.
- → Quality Assurance Schemes and voluntary bodies with a regulatory function who rely upon their members' compliance.
- → Lawyers involved in litigation on behalf of any of the above.

FFC works on the principles of...

- Helping customers to develop cost effective compliance solutions.
- → Providing professional and impartial advice and guidance.
- → Giving a personal and specialised service to meet each client's specific need.
