

Five Day Animal Health and Welfare Residential Course “Inspection, Licensing and Enforcement”

**Hillscourt, Rose Hill, Rednal, Birmingham, B45 8RS.
13th – 17th May 2019. £995 + VAT.**

This five day residential course jointly arranged by CEnTSA and Food and Farming Compliance Ltd. is intended for those officers appointed to Local Authority and Central Government departments and Agencies and to the FSA Official Control Personnel who are charged with administering and enforcing the provisions of animal health and welfare legislation. It will also be of importance for the staff of Animal Charities and Quality Assurance Schemes.

The course will serve as an initial and refresher training; however, it is advisable for delegates to have about 6 months experience of working in this capacity. With the change in the CTSI qualification structure, this course will add benefit to those officers who are engaged with the enforcement role and who no longer have opportunity to achieve the animal health and welfare CTSI qualification.

AIMS:

- To explain the role of the Local Authority within the framework of controls exercised through animal health and welfare legislation at national, regional and local levels.
- To provide an understanding of the inspection, licensing and enforcement duties undertaken.
- To review the provisions of that legislation which promotes animal health and welfare and to commence a study of the most important areas of control undertaken.

OBJECTIVES:

On completion of this course the participant should be able to:

- Understand the framework of Animal Health and Welfare and legislation and its importance and position within the Local Authority system.
- Appreciate the benefits of a good line of communication between the Local Authority Inspectors and the Animal Health Agency.
- Appreciate and develop the team approach needed between the various agencies involved in co-ordinating the enforcement of Animal Health and Welfare legislation.
- Interpret and enforce the major disease control orders and regulations.
- Interpret and enforce the relevant welfare legislation.
- Give advice to the relevant business community on compliance with the major orders and regulations that affect the daily routine in Animal Health and Welfare.
- Undertake duties and inspections in connection with the statutory marketing, transportation and licensing functions.

Please note: In the event of circumstances beyond CEnTSA's control, CEnTSA reserves the right to amend or cancel any event, including where an event is not viable to run based on insufficient delegate numbers. Terms and Conditions apply. Ts and Cs are available at www.centsa.org.uk
