

Animal Health and Welfare Local Authority Emergency Response in the Event of a Notifiable Disease Outbreak

**To be held at
The Thames Head Inn, Tetbury Road, Cirencester,
Gloucestershire. GL7 6NZ**

Wednesday 4th July 2018, 9.15am – 4.30pm
£160 + VAT inclusive of lunch and refreshments

This one day course has been arranged by Food and Farming Compliance Ltd. to provide an overview on the role and responsibilities of a Local Authority in the event of an outbreak of Notifiable disease.

It is intended for those officers appointed to Local Authority departments who are likely to be called on in the event of a notifiable disease outbreak to assist other staff who are responsible for administering and enforcing the provisions of Animal Health and Welfare legislation. It will also act as a refresher for Animal Health and Welfare Inspectors. The seminar is also relevant to Animal Health and Welfare staff of Central Government Departments and Agencies and to the FSA Official Control Personnel. It will also be of benefit / importance for the staff of Animal Charities and Quality Assurance Schemes.

Course Objectives

To better understand the responsibilities of Local Authorities in the event of an outbreak of Notifiable Disease

To be aware of the powers and duties of local authority officers in disease outbreak situations

To provide guidance for staff on Notifiable Disease Control measures

To appraise staff on health and safety issues and the Biosecurity requirements during disease outbreaks

To understand and implement the requirements of LA Emergency Responses plan

It will provide 6-0hrs CPPD
