

A One Day Course / Driver cpc Training Day / Assessment Welfare of Animals during Transport

**To be held at
Worcester Livestock Market,
The Heath Meadow, Nunnery Way, Worcester. WR4 0SQ
Tuesday 2nd July 2024 9.00am – 5.00pm
£95 + VAT including lunch and refreshments**

For those wishing to take their Certificate of Competence assessment there will be an additional charge of £40 + VAT

This one day workshop has been arranged by Food and Farming Compliance Ltd. to provide an update and refresher training on the requirement of the laws to protect animals during transport and to provide 7hrs Driver cpc Periodic Training

This workshop will explore and explain the roles and responsibilities of those concerned with transport of animals.

On completion of the course, there will be the opportunity for course members to take the assessment paper for their Level 2 - Certificate of Competence - Award in Animal Transport by Road (Short Journey). Those who wish to take this assessment must forward their Name, Address, Date, Place and Country of Birth to the Course Organiser at least 3 days before the date of the course for registration purposes, together with notice of the species papers they wish to take in addition to the Cattle paper – Any or all of the following Sheep, Pigs, Goats, and Horses.

Closing date for receipt of applications for the assessment is the Friday 28th June 2024

The information you supply will be used by the Skills Funding Agency, an executive agency of the Department for Education (DfE), to issue or confirm your Unique Learner Number (ULN), and to create/update your Personal Learning Record. For more information about how your information is processed and shared refer to the Extended Privacy Notice available on Gov.UK

The course is designed for any person who is responsible for any aspect of the transport of animals. It will be of benefit to experienced owners, farmers, livestock hauliers, grooms, horse box drivers, stockmen and attendants as well as for the less experienced as training and guidance. The course is also relevant to all personnel involved in the livestock industry.

IMPORTANT

Prior to the commence of the course drivers must produce a Form of ID,

DT=Digital Tacho Card, PP=Passport, DQC=Driver Qualification Card, please bring your DL=Driving Licence with you.

NB. Old Style Licence must be accompanied by valid ID

Course Objectives:-

To provide an understanding and working knowledge of the law that is applicable to the transport of animals, as it affects individuals and companies

To better understand the responsibilities when involved in transporting animals

To appreciate when to summon a vet for an expert opinion in relation to the fitness of animals to travel

To be conversant with the required documentation to be completed before, during and after the transport of animals

To Interpret and implement the relevant welfare legislation relating to the transport of animals

To outline the technical and administrative aspects of the community legislation which is now incorporated into UK law concerning the protection of animals during transport

To satisfactorily complete the assessment for the Level 2 Award in Animal Transport by Road (Short Journey) – Cattle Pigs Sheep Goats and Horses (if applicable)

To provide 7hrs Drivers cpc Periodic Training

JAUPT - Joint Approvals Unit for Periodic Training

Approved Course: Welfare of Animals during Transport (CRS11778/2040)
