This one day workshop has been arranged jointly by The Horses and Ponies Protection Association and Food and Farming Compliance Ltd. to provide an update and refresher training on the requirement of the laws to protect animals during transport and to provide 7hrs Driver cpc Periodic Training. This workshop will explore and explain the roles and responsibilities of those concerned with transport of animals.

The course is designed for any person who is responsible for any aspect of the transport of farmed animals and equines. It will be of benefit to experienced owners, farmers, livestock keepers, transporters, attendants, grooms and anybody else who is involved with the transport of animals for commercial reasons as well as for the less experienced as training and guidance. The course is also relevant to all personnel involved in the equine and farming industry and anybody involved in the enforcement of welfare legislation relating to the transport of animals.

Assessment

On completion of the course, there will be the opportunity for course members to take the assessment paper for their Level 2 - Certificate of Competence - Award in Animal Transport by Road (Short Journey). Those who wish to take this assessment must forward their Name, Address, Date, Place and Country of Birth to the Course Organiser at least 3 days before the date of the course for registration purposes, together with notice of the species papers they wish to take in addition to the Cattle paper – Any or all of the following Sheep, Pigs, Goats, and Horses.

Closing date for receipt of applications for assessment is the Friday 20th September 2024
